

GET MORE OUT OF YOUR **seca** TRU

With the seca TRU Companion, you boost the visibility of your seca TRU, give members easy self-service access to a scan, and make sure no questions are left unanswered—all while customizing the screen to market your facility's programs and events.

UNLEASH THE FULL POWER OF seca TRU

Invest once, benefit daily—let the seca TRU Companion guide, educate, and inspire members without adding to your staff's workload.

Your Benefits:

- 1 — Motivate members with measurable wins. Keep them coming back with every scan.
- 2 — Show progress. Grow your bottom line.
- 3 — Drive equipment use. Drive member engagement.
- 4 — Boost activities with advertising space for your services.

Effortless Customization

Set up the seca TRU Companion easily in your browser. Choose from our ready-to-use video library or upload your own content to spotlight your services.

Available as Standalone App

Own a compatible signage screen? No problem. The seca TRU Companion is also available as a standalone app—simple, seamless, and ready to go.
