The solution has been discontinued in total. The successor product is the seca mBCA 552/554/555, and seca mBCA 525 c together with the seca analytics 125 cloud platform.

Timeline

Last order date

This date determines the last opportunity to place an order. All orders placed before will be accepted. All orders placed after this date will not be accepted. Instead, you have to order the substitute/successor product.

Last time installation date

The last time installation date is the point in time where the last installation of a software or firmware product is carried out by seca. After this point the successor version or product will be used.

End of maintenance

Any maintenance or repair of the hardware or software product will not be performed anymore after this date.

Maintenance includes, but is not limited to the following actions:

- Implementation of new features and functions
- Fixing of errors ("bugs") in the software or firmware

End of support

The end of support date is the date at which all support activities of the product are no longer available. This includes, but is not limited to the following actions:

- immediate support to the partner or customer for technical issues in the field
- support including technical assistance for existing or new installations

Discontinuation	Date
Last time order date	Already passed.
Last time installation date	2025-12-31
End of maintenance	Already passed.
End of support	2025-12-31
